1 DESIGNATED HERITAGE ASSETS GAZETTEER

Table 1: Designated Heritage Assets - Main Study Area (2km)

ID	Name	Grade	NHLE	NGR	Value (Heritage Significance)	Included/Not included in the Assessment
Scheduled Monuments						
SM	Somerles Castle	SM	1008452	TL 11916 20141	High	Yes, during construction- due to the proximity of the asset to the Proposed Development. The operation of the Proposed Development Is not expected to have any significant effects on this asset.
Registered Parks and Gardens						
RPG	Luton Hoo	II*	1000578	TL 10600 16727	High	Yes, during operation - due to the proximity of the asset to the Proposed Development. The construction of the Proposed Development Is not expected to have any significant effects on this asset.
RPG	Putteridge Bury	II	1000917	TL 11935 24856	Medium	No – this asset is well screened from the Proposed Development by intervening built areas and by topography. It will not experience significant effects but it will be further discussed in the ES.
RPG	Wardown Park	II	1001445	TL 08911 22835	Medium	No-due to its location within the built-up area of Luton. The setting of this asset does not include the Proposed Development
Conservation Areas						

ID	Name	Grade	NHLE	NGR	Value (Heritage Significance)	Included/Not included in the Assessment
CA	High Town Conservation Area	N/A	N/A		Medium	No – due to its urban location within the town of Luton. The setting of this asset does not include the Proposed Development.
CA	Luton South Conservation Area	N/A	N/A		Medium	No – due to its urban location within the town of Luton. The setting of this asset does not include the Proposed Development
CA	Plaiters Lea Conservation Area	N/A	N/A		Medium	No – due to its urban location within the town of Luton. The setting of this asset does not include the Proposed Development
CA	Rothsay Road Conservation Area	N/A	N/A		Medium	No – due to its urban location within the town of Luton. The setting of this asset does not include the Proposed Development
CA	Town Centre Conservation Area	N/A	N/A		Medium	No – due to its urban location within the town of Luton. The setting of this asset does not include the Proposed Development
CA	Bendish Conservation Area	N/A	N/A		Medium	No – due to its distance from the Proposed Development. It is unlikely that the Proposed Development will have a significant effect on the significance of this asset.
Listed Buildings						
LB1	GREEN FARM ON EAST SIDE OF GREEN	II	1102434	TL 16445 21557	Medium	No - this asset has the potential to experience an adverse effect as a result of the Proposed Development however this is not expected to be significant. It will be further discussed in the ES.

ID	Name	Grade	NHLE	NGR	Value (Heritage Significance)	Included/Not included in the Assessment
LB2	CHURCH OF ST MARY	I	1102475	TL 16023 23507	High	No - this asset has the potential to experience an adverse effect as a result of the Proposed Development however this is not expected to be significant. It will be further discussed in the ES.
LB3	LAW HALL FARMHOUSE	II	1176442	TL 16453 22133	Medium	No - this asset has the potential to experience an adverse effect as a result of the Proposed Development however this is not expected to be significant. It will be further discussed in the ES.
LB4	WEST END FARM	II	1176815	TL 16507 21824	Medium	No - this asset has the potential to experience an adverse effect as a result of the Proposed Development however this is not expected to be significant. It will be further discussed in the ES.
LB5	11 AND 13, LOWER ROAD	II	100245	TL 15457 22115	Medium	No - the setting of this asset does not extend to the Proposed Development.
LB6	STABLE BLOCK AT LAWRENCE END	II	100527	TL 14246 19780	Medium	No - this asset has the potential to experience an adverse effect as a result of the Proposed Development however this is not expected to be significant. It will be further discussed in the ES.
LB7	21, GEORGE STREET	II	291518	TL 09202 21131	Medium	No - this asset is located within the town of Luton. Its setting is urban and is not going to be affected by the Proposed Development.
LB8	32, GEORGE STREET	II	291519	TL 09182 21201	Medium	No - this asset is located within the town of Luton. Its setting is urban and is not going to be affected by the Proposed Development.
LB9	40, GUILDFORD STREET	II	358537	TL 09192 21483	Medium	No - this asset is located within the town of Luton. Its setting is urban and is not going to be affected by the

ID	Name	Grade	NHLE	NGR	Value (Heritage Significance)	Included/Not included in the Assessment
						Proposed Development.
LB10	47, GUILDFORD STREET	II	358538	TL 09243 21430	Medium	No - this asset is located within the town of Luton. Its setting is urban and is not going to be affected by the Proposed Development.
LB11	27 AND 29, PARK STREET WEST	II	291524	TL 09336 21005	Medium	No - this asset is located within the town of Luton. Its setting is urban and is not going to be affected by the Proposed Development.
LB12	HOME FARM NOS 1, 2, 3, 4 AND OUTHouses LINKED TO THE NORTH	II	100897	TL 11746 24452	Medium	No - this asset falls within Putteridge RPG (see Putteridge Bridge)
LB13	TANKARDS FARMHOUSE	II	314057	TL 13856 22926	Medium	No - this asset has the potential to experience an adverse effect as a result of the Proposed Development however this is not expected to be significant. It will be further discussed in the ES.
LB14	CROUCHMOOR FARMHOUSE	II	314058	TL 13491 22864	Medium	No - this asset has the potential to experience an adverse effect as a result of the Proposed Development however this is not expected to be significant. It will be further discussed in the ES.
LB15	RUDWICK HALL FARMHOUSE	II	398313	TL 14903 19838	Medium	No - this asset has the potential to experience an adverse effect as a result of the Proposed Development however this is not expected to be significant. It will be further discussed in the ES.
LB16	BREACHWOOD GREEN BAPTIST CHURCH	II	314339	TL 15083 21958	Medium	No - this asset has the potential to experience an adverse effect as a result of the Proposed Development however this is not expected to be significant. It will be further discussed in the ES.

ID	Name	Grade	NHLE	NGR	Value (Heritage Significance)	Included/Not included in the Assessment
LB17	12, CHAPEL ROAD	II	314340	TL 15045 22072	Medium	No - the setting of this asset does not extend to the Proposed Development.
LB18	WOODSIDE COTTAGE	II	314341	TL 14314 20783	Medium	No - this asset has the potential to experience an adverse effect as a result of the Proposed Development however this is not expected to be significant. It will be further discussed in the ES.
LB19	STABLES, COACHHOUSE, LINK BUILDING, AND WALLS OF ATTACHED WALLED GARDEN, AT LAWRENCE END	II	454692	TL 14159 19821	Medium	No - this asset has the potential to experience an adverse effect as a result of the Proposed Development however this is not expected to be significant. It will be further discussed in the ES.
LB20	THE HARROW PUBLIC HOUSE	II	314355	TL 16373 21512	Medium	No - this asset has the potential to experience an adverse effect as a result of the Proposed Development however this is not expected to be significant. It will be further discussed in the ES.
LB21	WINDMILL ABOUT 230 METRES TO WEST OF ROUNDABOUT PLANTATION	II	434039	TL 14533 23243	Medium	No - this asset has the potential to experience an adverse effect as a result of the Proposed Development however this is not expected to be significant. It will be further discussed in the ES.
LB22	DOVECOTE AT HOME FARM TO SOUTH OF HOUSE	II	373969	TL 11782 24398	Medium	No - this asset falls within Putteridge RPG (see Putteridge Bridge)

Table 4: Non-designated heritage assets

HER Number	Unique ID	Name	Period	Description	Value (Heritage Significance)	Include in Assessment Y/N and rationale
Period Heritage Assets (PHA)						
MBD12441	PHA1	Boundary	Medieval	Linear Cropmark, West of Someries Farm	Low	N; This asset has the potential to experience an adverse effect as a result of the Proposed Development however this is not expected to be significant. It will be further discussed in the ES.
MBD18043	PHA2	Chalk Pit	Post-Medieval	Chalk Pit, West of Bush Pasture	Low	N; N, Setting makes minimal difference to significance
MBD13227	PHA3	Wood	Post-Medieval	Slaughter’s Wood, Ancient Woodland	Low	N, Due to its urban location within the town of Luton. The setting of this asset does not include the Proposed Development
MBD12359	PHA4	Site of Dovecote	Post-	Dovehouse, Harts Field Road	Low	N, Due to its urban location within the town of Luton. The setting of this asset does not include the Proposed Development

HER Number	Unique ID	Name	Period	Description	Value (Heritage Significance)	Include in Assessment Y/N and rationale
MBD1949	PHA5	Findspot	Romano-British	Roman coin of Hadrian	Low	N, Due to its urban location within the town of Luton. The setting of this asset does not include the Proposed Development
MBD12369	PHA6	Lynchets	Unknown	Lynchets, Brendon Ave/Falconers Road	Low	N, Due to its urban location within the town of Luton. The setting of this asset does not include the Proposed Development
MBD10821	PHA7	Havering Manor	Medieval	Site of Manor	Low	N, Due to its urban location within the town of Luton. The setting of this asset does not include the Proposed Development
MBD16030	PHA8	Flint scatter	Neolithic to Bronze Age	Prehistoric flints, North of Stopsley Sports Ground	Low	N, Due to its urban location within the town of Luton. The setting of this asset does not include the Proposed Development
MBD17918	PHA9	WW2 Prisoner of War Camp	20th Century	Site of Prisoner of War Camp	Low	N, Due to its urban location within the town of Luton. The setting of this asset does not include the Proposed Development

HER Number	Unique ID	Name	Period	Description	Value (Heritage Significance)	Include in Assessment Y/N and rationale
MBD12420	PHA10	Quarry, West of Wigmore Hall Farm	Post-	Site of Quarry	Low	N, Due to its urban location within the town of Luton. The setting of this asset does not include the Proposed Development
MBD17168	PHA11	Flint scatter	Neolithic to Bronze Ag	Flint scatter, Wigmore Lane	Low	N, Due to its urban location within the town of Luton. The setting of this asset does not include the Proposed Development;
MBD12421	PHA12	Quarry, East of Wigmore Hall Farm	Post-Medieval	Site of Quarry	Low	N, Due to its urban location within the town of Luton. The setting of this asset does not include the Proposed Development
MBD17055	PHA13	Crawley Green Medieval Settlement	Medieval	Village	Low	N, Due to its urban location within the town of Luton. The setting of this asset does not include the Proposed Development
MBD8454	PHA14	Brick Kiln, Crawley Green	Post-	Site of Brickworks	Low	N, Due to its urban location within the town of Luton. The setting of this asset does not include the Proposed Development

HER Number	Unique ID	Name	Period	Description	Value (Heritage Significance)	Include in Assessment Y/N and rationale
MBD12403	PHA15	Green, Crawley Green	Medieval to Post-Medieval	Site of Village Green	Low	N, Due to its urban location within the town of Luton. The setting of this asset does not include the Proposed Development
MBD12360	PHA16	Dovehouse, Crawley, Green Farm	Post-Medieval	Site of Dovecote	Low	N; N, Due to its urban location within the town of Luton. The setting of this asset does not include the Proposed Development
MBD6732	PHA17	Site of Brickworks	Post-Medieval	Brick and tile works at Eaton Green. Shown on map surveyed in 1879. Brickworks in operation c.1875-1900.	Low	N, Due to its urban location within the town of Luton. The setting of this asset does not include the Proposed Development
MBD362	PHA18	Hospital of St Mary Magdalene	Medieval to Post-Medieval -	Site of Building, Hospital	Low	N, Setting makes minimal difference to significance
MBD17904	PHA19	Site of Pillbox	20th Century	World War II Pillbox	Low	N, Setting makes minimal difference to significance
MBD17194	PHA20	Site of Infectious Diseases Hospital	20th Century	A 1920's isolation hospital for infectious diseases in Luton. It was a 1920's brick construction with red brick dressings and a hipped tiled roof.	Low	N, Setting makes minimal difference to significance

HER Number	Unique ID	Name	Period	Description	Value (Heritage Significance)	Include in Assessment Y/N and rationale
MBD12423	PHA21	Site of Gun Emplacement, Quarry	20th Century	World War II gun emplacement and other military earthworks and area of later quarrying north-west of Kimpton Lane.	Low	N, Setting makes minimal difference to significance
MBD10808	PHA22	Enclosure, Occupation Site	Neolithic -Late Iron Age-Romano British	Two ring ditches and a linear feature visible on aerial photographs, South East of Wigmore Hall Farm. Excavations and field walking in 1996 & 1997 revealed a double ditch and quantities of pottery and tile (including tegulae, imbrex, flue and hypocaust tiles), indicating the possible location of a Roman building. Also finds of quern stones, nails, charcoal and a 4th century Roman coin. Excavations in February 2019 revealed further evidence of one pit	High	Y, directly impacted by earthworks

HER Number	Unique ID	Name	Period	Description	Value (Heritage Significance)	Include in Assessment Y/N and rationale
				containing Neolithic pottery and showed the circuit of boundary ditches was well preserved. Internal features included pits and a well preserved building with evidence of a hypocaust and painted wall plaster.		
MBD17772	PHA23	Site of Building	Post-Medieval	Falconer's Hall, North of Luton Airport Main Runway	Low	N, Setting makes minimal difference to significance
MBD9271	PHA24	Military Training Site, Civil Airport	20th Century to 21st Century	Luton Airport, former WWII military training airfield. Now international commercial airport.	Low	N, Setting makes minimal difference to significance
MBD12422	PHA25	Pit, Linear Feature	Unknown	Series of ploughed out pits and linear features revealed through aerial photography, north-east of Luton Airport.	Medium	Y, directly impacted by earthworks

HER Number	Unique ID	Name	Period	Description	Value (Heritage Significance)	Include in Assessment Y/N and rationale
MBD12422	PHA26	Cropmarks, North East of Luton Airport	Unknown	Pit, Linear Feature	Medium	Y, directly impacted by earthworks
MBD12422	PHA27	Cropmarks, North East of Luton Airport	Unknown	Pit, Linear Feature	Medium	Y, directly impacted by earthworks
MBD12422	PHA28	Skeleton, Luton Airport Parkway	Unknown	Inhumation	Low	N, Setting makes minimal difference to significance
MBD12424	PHA29	Earthwork	20th Century	Earthworks, near Lower Harpenden Road	Low	N, Setting makes minimal difference to significance
MBD12371	PHA30	Site of Rabbit Warren	Medieval to Post-Medieval	Possible site of former rabbit warren at Kimpton Lane.	Low	N, Setting makes minimal difference to significance
MBD6733	PHA31	Site of Chalk Pit	Post-Medieval	Chalk Pit	Low	N, Setting makes minimal difference to significance
MBD12372	PHA32	Site of Rabbit Warren	Medieval to Post-Medieval	Coney Ground, near Someries Farm	Low	N, Setting makes minimal difference to significance
MBD361	PHA33	Tower & Chapel of St	Medieval	Site of Building, Chapel, Palace,	Low	N, Setting makes minimal difference to significance

HER Number	Unique ID	Name	Period	Description	Value (Heritage Significance)	Include in Assessment Y/N and rationale
		Anne		Tower		
MBD8929	PHA34	Friends Burial Ground	Post-Medieval	Cemetery, Crawley Green Road	Low	N, Due to its urban location within the town of Luton. The setting of this asset does not include the Proposed Development
MBD360	PHA35	Someris Castle	Medieval to Post-Medieval	Building, Chapel, Dovecote, Formal Garden, Gatehouse, Blacksmith's Workshop, Manor House, Linear Earthwork, Ditch	High	Y; During construction- due to the proximity of the asset to the Proposed Development The operation of the Proposed Development Is not expected to have any significant effects on this asset.
MBD15155	PHA36	Trapezoidal Enclosure	Iron Age to Romano-British	Cropmarks, South and South-West of Chiltern Hall	Low	N, This asset has the potential to experience an adverse effect as a result of the Proposed Development however this is not expected to be significant. It will be further discussed in the ES
MBD22725	PHA37	Field Boundary	Post-Medieval	Ploughed Linear Earthworks North and South of Dane Street Farm	Low	N, This asset has the potential to experience an adverse effect as a result of the Proposed Development however this is not expected to be significant. It will be further discussed in the ES
	PHA38	Winchill Wood,	Post-Medieval	Ancient Woodland	Low	N, This asset has the potential to experience an adverse effect as a result of the Proposed Development however this is not expected to be significant. It will be further discussed in the ES

HER Number	Unique ID	Name	Period	Description	Value (Heritage Significance)	Include in Assessment Y/N and rationale
Buildings (BLD)						
MBD2027	BLD1	Someries Farm	Post-Medieval	Post Medieval farm buildings	Low	N, This asset has the potential to experience an adverse effect as a result of the Proposed Development however this is not expected to be significant. It will be further discussed in the ES.
MBD15637	BLD2	Car Factory	20th Century	Block AA, Vauxhall Motors Factory, Kimpton Road/ Airport Way	Low	N, Due to its urban location within the town of Luton. The setting of this asset does not include the Proposed Development
MBD15450	BLD3	Building	20th Century	Vauxhall Building, North of Administration Block, Kimpton Road	Low	N, Due to its urban location within the town of Luton. The setting of this asset does not include the Proposed Development
MBD8493	BLD4	House, Priests House	Unknown	78 Crawley Green Road (former St Mary's Church Rectory)	Low	N, Due to its urban location within the town of Luton. The setting of this asset does not include the Proposed Development
MBD18853	BLD5	Church	20th Century	ST Anne's Church, Hart Hill/ St Anne's Hill	Low	N, Due to its urban location within the town of Luton. The setting of this asset does not include the Proposed Development
MBD18856	BLD6	Church	20th Century	St. Francis, Carteret Road	Low	N, Due to its urban location within the town of Luton. The setting of this asset does not include the Proposed Development
MBD21970	BLD7	Fire Station	20th Century	Luton Airport Fire Station, Airport Way	Low	Y, within airport boundary
MBD17903	BLD8	Battle	20th Century	World War II (WWII)	Medium	Y, within airport boundary

HER Number	Unique ID	Name	Period	Description	Value (Heritage Significance)	Include in Assessment Y/N and rationale
		Headquarters		Airfield Battle Headquarters north of Luton Airport, to rear of the Wigmore Hall Hotel. Brick built with a flat concrete roof bearing a hexagonal cupola with gun ports on each side. Most of the structure is located underground with only the cupola visible.		
MHT18715	BLD9	Smithy, Crouchmoor, Offley	Post-Medieval	Blacksmith's Workshop	Low	N, The setting of this asset does not include the Proposed Development
MHT7358	BLD10	Site of FARMSTEAD, OCCUPATION SITE	Romano-British	Romano-British Occupation, Winch Hill Farm, Kings Walden	Low	Y, may be impacted by soil inversion
Historic Environment Record (HER)						
MBD15451	HER1	Building	20th Century	Vauxhall Building, North West of Administration Block, Kimpton Road	Low	No – due to its urban location within the town of Luton. The setting of this asset does not include the Proposed Development

HER Number	Unique ID	Name	Period	Description	Value (Heritage Significance)	Include in Assessment Y/N and rationale
MBD15452	HER2	Building	20th Century	Vauxhall Building, West of Administration Block	Low	No – due to its urban location within the town of Luton. The setting of this asset does not include the Proposed Development
MBD15643	HER3	Barn, Model Farm	Unknown	Model Farm (site of)	Low	N, Due to its urban location within the town of Luton. The setting of this asset does not include the Proposed Development
MBD16929	HER4	War Memorial	20th Century	Vauxhall Motors War Memorial	Low	N, Due to its urban location within the town of Luton. The setting of this asset does not include the Proposed Development
MBD1466	HER5	Ditch	Romano-British	Roman ditch and pottery, Luton Airport	Low	N, This asset has the potential to experience an adverse effect as a result of the Proposed Development however this is not expected to be significant. It will be further discussed in the ES.
MBD14086	HER6	Site of Railway	Post-Medieval	Hatfield Luton and Dunstable Branch Railway (Great Northern Railway)	Low	N, Setting makes minimal difference to significance
MBD12933	HER7	Railway	Post-Medieval to 21st Century	Former Midland Railway Line	Low	N, Setting makes minimal difference to significance
MHT31267	HER8	Site of Wesleyan Methodist Chapel	Post-Medieval	Site of Methodist Chapel, Darley Road, Darley Hall, King's Walden	Low	N, Setting makes minimal difference to significance
MHT16290	HER9	Pit	Neolithic	Neolithic Pit, South of Brickkiln Wood,	Low	N; The setting of this asset does not include the Proposed Development

HER Number	Unique ID	Name	Period	Description	Value (Heritage Significance)	Include in Assessment Y/N and rationale
				Cockernhoe		
MHT9679	HER10	Ditch	Early Medieval to Medieval	Early Medieval ditch, Wandon End, King's Walden	Low	N, The setting of this asset does not include the Proposed Development
MHT16293	HER11	Clay Pit, Hard Standing	Romano-British	Roman extraction pits and other features, Brickkiln Wood, Cockernhoe	Low	N, The setting of this asset does not include the Proposed Development
MHT16646	HER12	Lynchet, Field Boundary	Unknown	Medieval field boundaries, Brickkiln Wood, Cockernhoe	Low	N, The setting of this asset does not include the Proposed Development
MHT17218	HER13	Enclosure?, Extractive Pit	Unknown	Cropmarks of possible enclosures and extraction pit or ring ditch, Winch Hill Farm, King's Walden	Low	Y, directly impacted by earthworks
MHT17219	HER14	Ditch, Pit, Enclosure?,	Unknown	Cropmarks of possible enclosures and pits, South of Winch Hill House, King's Walden	Medium	Y, may be impacted by soil inversion
MHT17234	HER15	Boundary Ditch? Enclosure?	Unknown	Soilmarks of possible settlement and farming features, Diamond End, King's Walden	Low	N, This asset has the potential to experience an adverse effect as a result of the Proposed Development however this is not expected to be significant. It will be further discussed in the ES.

HER Number	Unique ID	Name	Period	Description	Value (Heritage Significance)	Include in Assessment Y/N and rationale
MHT30173	HER16	Enclosure, Ditch	Unknown	Undated Enclosure, South of Brickkiln Wood, Offley	Low	N, The setting of this asset does not include the Proposed Development
MHT30174	HER17	Pit	Prehistoric	Possibly Prehistoric Pit, South of Brickkiln Wood, Offley	Low	N, The setting of this asset does not include the Proposed Development
MHT1837	PLA1	Wandon End, King's Walden	Medieval	Site of Deserted Settlement?, Hamlet	Low	N, This asset has the potential to experience an adverse effect as a result of the Proposed Development however this is not expected to be significant. It will be further discussed in the ES.
Find Spots (FS) & Portable Antiquities Scheme (PAS)						
MHT11461	FS1	Villa?, Artefact Scatter	Romano-British	Roman Building Material, South-East of Brickkiln Wood, Offley	Low	N, The setting of this asset does not include the Proposed Development
MHT15052	FS2	FINDSPOT	Mesolithic to Bronze Age	Mesolithic and later worked Flint Scatter, Cockernhoe, Offley	Low	N, The setting of this asset does not include the Proposed Development
MHT15054	FS3	FINDSPOT	Neolithic to Bronze Age	Neolithic-Later Bronze Age worked flints, Tea Green, Offley	Low	N, The setting of this asset does not include the Proposed Development

HER Number	Unique ID	Name	Period	Description	Value (Heritage Significance)	Include in Assessment Y/N and rationale
MHT15061	FS4	Site of FINDSPOT, BUILDING?	Post-Medieval	Possible Site of Post Medieval Building, East of BrickKiln Wood, Tea Green, Offley	Low	N, The setting of this asset does not include the Proposed Development
MHT15063	FS5	Site of Building?, Findspot	Post-Medieval	Possible Site of Post Medieval Building, Wandon End, Offley	Low	N, This asset has the potential to experience an adverse effect as a result of the Proposed Development however this is not expected to be significant. It will be further discussed in the ES.
MHT16294	FS6	Findspot?	Unknown	Iron Age or Saxon Sherd, Crouchmoor Farm, Tea Green, Offley	Low	N; This asset has the potential to experience an adverse effect as a result of the Proposed Development however this is not expected to be significant. It will be further discussed in the ES.
MHT27579	PAS1	Find reported to PAS	Late Neolithic/Early Bronze Age	Late Neolithic/Early Bronze Age Stone Axe Hammer, Kings Walden	Low	N, The setting of this asset does not include the Proposed Development
Crop Marks (CM)						
MBD360	CM1/CM3	Crop Marks	Unknown	Crop Marks at Someries Castle	Low	N, This asset has the potential to experience an adverse effect as a result of the Proposed Development however this is not expected to be significant. It will be further discussed in the ES.
MBD15155	CM2	Crop Marks	Iron Age?	Cropmarks, South of Chiltern Hall	Low	N, This asset has the potential to experience an adverse effect as a result of the Proposed Development however this is not expected to be

HER Number	Unique ID	Name	Period	Description	Value (Heritage Significance)	Include in Assessment Y/N and rationale
						significant. It will be further discussed in the ES.
Archaeological Events (EV)
